From the Director of Harijan Welfare, G2.

O R D E R :

The Director of Harijan Welfare has reported that the Harijan pupils attending the schools are generally untidy and unclean that the parents of these children are not able to keep them clean, as they are not financially in a position to purchase the necessary articles required. He has therefore suggested that this aspect should be attended to in the school itself and that each school should be supplied with mirrors, combs, eye soaps, towels and coconut oil and that they may be utilised for those pupils who do not attend the school neat and clean. He has recommended that a beginning in this direction may be made in the five Harijan Welfare Schools in Madras City at present.

2. The Government approve the proposals of the Director of Harijan Welfare and sanction the incurring of an expenditure not exceeding Rs.154-0-0 (Rupees one hundred and fifty four only) during the current year on the purchase of the articles to be supplied to the five Harijan Welfare Schools in the Madras City according to the scales shown in the annexure to this order. The Director of Harijan Welfare is requested to observe the utmost economy and restrict the expenditure to the minimum extent possible. He is also requested to send a report at the end of the school year about the working of the scheme and the desirability or otherwise of continuing it in the subsequent years and of extending it to the schools in the State.

3. The expenditure should be debited to "47 Miscellaneous Departments-a-Labour-I. Harijan Welfare Department-C.Communities eligible for help by the Harijan Welfare Department-Education".
